

Frequently Asked Questions

- I am interested in booking a wedding! How do I do this?
 - Send us an email or text, to start the process! We will give you free quotes on your personalized menu. Our menu items are listed on our website under the catering tab.
- I am interested in ordering custom cake, cookies, or desserts. How do I do this?
 - Send us an email or a text! We typically book out 6-8 weeks in advance. Don't know your exact date? That's ok! At least reach out and ask for "Late April" or "Early June" so we can put you on our calendar!
- Do you do tastings for weddings?
 - Yes! However, we only do tastings 6-8 months before your wedding. Due to my large variety of foods and pricing, I give you quotes up to 18 months before your wedding, then we fully choose your meal at your tasting. Your menu can change up until 3 months before your wedding. *Please note, your date is not held until deposit is paid.
- Do you do tastings for cakes and wedding desserts?
 - Yes, but only 3-4 times a year. You will sign up online, (\$30), and you will pick up your box and take it home with you on the assigned date. Please note: we are only booking wedding desserts for those we are catering the meal too.
- What is needed to book my wedding date?
 - The wedding deposit is needed to book the date. This info is found in the pricing guide Lacey will send you. Your date is not fully booked until the deposit is received. Your deposit is non-refundable and will be deducted from the final bill.
- Do you have a catering minimum?
 - Beginning January 1, 2023, we have a \$1500 minimum for full service catering Sunday-Friday. Saturdays have a \$2500 minimum. All minimums must be hit before tax. Not going to hit the minimum? Ask for pick up or drop off service (when available).
